An aerial photograph of a tropical beach resort. In the foreground, a wide, sandy beach curves along the shoreline, with gentle waves washing onto the shore. Several white lounge chairs and umbrellas are arranged on the sand. Behind the beach, a row of white, multi-story villas with grey roofs is nestled among lush green tropical vegetation. The villas are built on a slight rise, with some perched on a hill. The ocean is a vibrant turquoise color, transitioning to a deeper blue further out. The sky is a clear, bright blue with a few wispy white clouds. The overall scene is one of a peaceful, exclusive vacation spot.

A close-up shot of a beach BBQ. In the foreground, a large metal tray is filled with a variety of seafood, including lobster tails, shrimp, and fish, garnished with herbs. Two white ceramic cups containing a yellow sauce are also on the tray. In the background, a black gas grill is cooking several round slices of zucchini. A person's hand is visible, using tongs to turn the zucchini. The grill is set up on a sandy beach, and white patio furniture is visible in the distance.
